In addition, according to section 1399.456 of the Acupuncture Regulations, anyone using the title of Medical Doctor or Doctor Oriental Medicine **must have obtained the doctorate degree from a school of medicine that was approved by the California Department of Education at the time of issuance**.

Please be advised also, that in the State of California, it is **improper to use any title** that makes one a medical doctor, such as M.D. (China) or C.M.D. (Chinese Medical Doctor), or otherwise. Only those licensed as a *physician and surgeon*, M.D. (medical doctor), by the State of California may use such titles.

If you have any questions regarding the above, please contact the Acupuncture Board.
